Wrack Line
RYE

Rye rediscovered, this one is a little bit dry and a little bit spicy, a little bit of Indiana, and a whole lot of maritime Alaska!

ALASKA, BOTTLED.

Some say Alaska's too big to bottle. But our small-batch, artisanal spirits, crafted in Southeast Alaska's first distillery, capture the flavor and feel of the Last Frontier.

Wrack Line RYE

Go with the grain.

For your discovering pleasure, we submit Wrack Line Rye. With a mash bill of 70 percent rye grain, Wrack Line Rye has enough rye character and spice to announce its presence, yet is balanced enough to play well with others in a cocktail. It starts with our small batch grain- to-barrel distillations on site. After maturing on site for at least 2 years, we combine our rye barrels with a Straight Rye Whiskey made in the heart of U.S. Whiskey-country.

- 70 percent rye mash bill with corn and barley
- Aged at least two years in charred American white oak barrels
- An equal blend of two straight rye whiskeys from Alaska and Indiana
